Thank you for filling out this form. After this application has been approved by committee members we sometimes try to arrange for a couple who are members to meet new visitors/temporary members at a suitable venue (this could be your home or a cafe or other agreed place) before they are allowed to visit the club. This also gives you the chance to find out things and ask questions and tackle any concerns you may have. We are a friendly club and welcome new faces. If you, your partner or family are new to Nudism we will do all we can to make you feel comfortable and overcome any worries that you may have when you visit the club. If you want to meet some members before you visit the club please do let us know. We look forward to seeing you soon.
